Group Work

Group Work Brainstorming

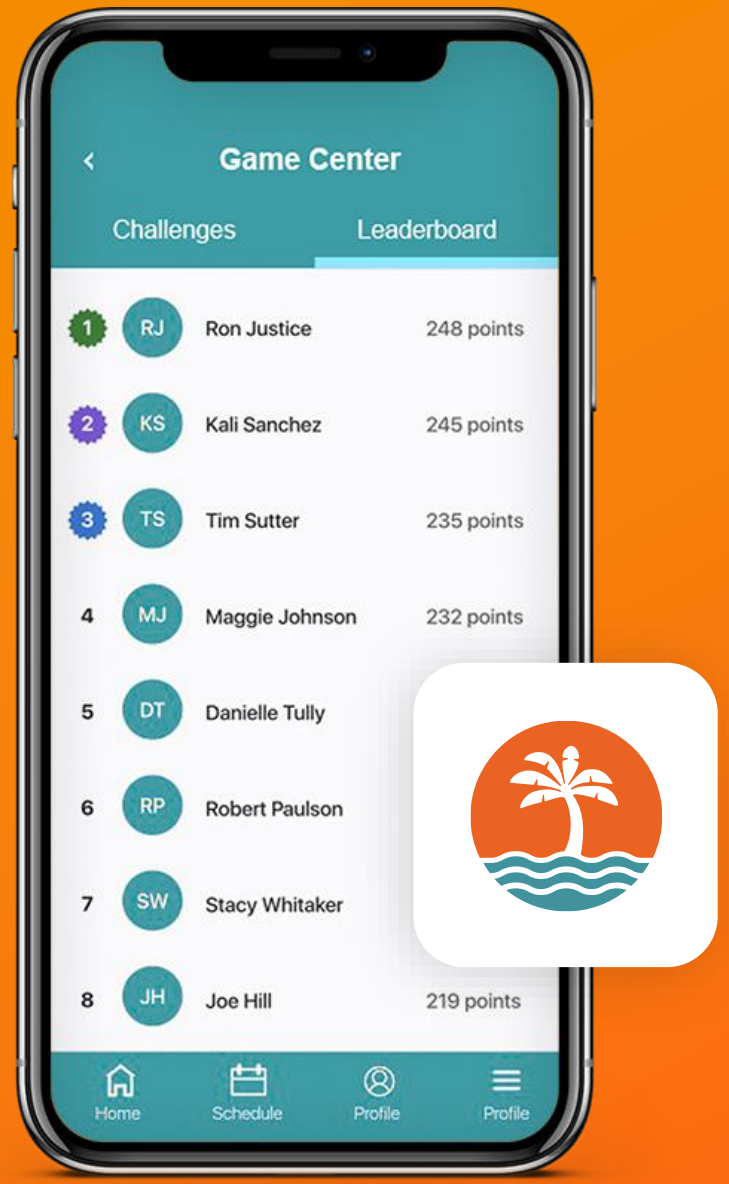
Inventory Requirements, Enhancements, Needs

- What are the key Inventory business cases in your organization that need a "lift"?
- What features/requirements would give your users the biggest impact?
- What tools, automation methods, and/or third parties are you using in your current inventory process?

Group Work

- Take five (5) minutes
- Categorize
- Discuss
- Prioritize / Vote

Validations (Top Votes)	New Suggestions/Customer Needs (Top Votes)



How many points did you get?

Use the NSUC app leaderboard to check your score and keep participating throughout the conference for a chance to win prizes (and bragging rights)!
