Asset Management Maintenance & Purchasing

David Kramer

10/23/2023

Presented by

Hosted by

10.23-10.26

SEABIRD RESORT | OCEANSIDE, CA

#NSUC23

GET ON THE LEADERBOARD!

REMINDER: You can earn points during this session! Submit your questions, answer polls and leave feedback on this presentation through the NSUC23 mobile app.

The more you use the app, the more points you earn. Winners will be announced daily.

David Kramer

NS Consultant

Senior Technical Consultant

David has been with ABS since 2018. He has worked in Ship Management for more than 25 years.

David's experience is Technical and Operational Ship Management roles dealing with large fleets of ships.

He is a Naval Architect, Mechanical Engineer, Business Manager, and was a Chief Engineer.

13:30– 15:30

Data Management

Technical Defect

Vessel Certificate

Condition Monitoring (CM)

Purchasing (P)

Gadgets

Rich Text, HTML

Screen Customization

CM - Condition Report

CM - Measuring Points

P - Cost Centre,
WBS

P - NSeProc

P – Freight
Forwarding

Data Management

Data Management

- Critical for success
- Good data structure leads to success
- Considerations for data setup and the management thereof
- Good data structure supports and enhances tools within the application
- Data population

Technical Defect

Technical Defect

Industry requirement

- Used in different ways
- Can be renamed, example Defect
- Define Indexes
- Set calculations for Target Closure date in days from creation
 - Consequences, Priority, Criticality
 - Can allow user Target Closure date
- Screen Customization
 - Fields
 - Tabs, example RCA, JSA, Failure
- Links to multiple documents
- Dashboard
- Gadgets
- Wizard for creation
 - SIRE or OVID Category
 - Condition of Class or Dispensation
- Introduced 6.5.24
 - Enhanced 6.5.26/27/29/30.

Screen Customization

Drives input and data

- Set required fields
- Guidance text
- Turn fields off
- Drive data entry
- On certain documents forces entries at difference status

Screen Customization

THIS IS A TEST EMAIL - PLEASE IGNORE

Dear \$vendorName\$,

You have received a RFQ **\$rfqNumber\$ - \$rfqTitle\$** for vessel **\$shipName\$**.

The email has the following attachments (\$mailAttachmentCount\$):

\$mailAttachmentNames\$

If more attachments are supplied it will be mentioned in the RFQ remarks.

Should you have any questions, please contact \$rfqCompany\$ (Ships Management) Inc. or send an email to pu@thenamaris.com

Please make sure that you submit your quotes to [mailto:theshipsmanagement@thenamaris.com](#)

Best Regards,

TEST This is a TEST for [REDACTED] eProcurement Setup.

Good day Supplier - DK

Kindly receive an eProcurement Request For Quotation (RFQ) for the [REDACTED] RFQ number 0000001 from [REDACTED] Company for Supplier - DK to quote for materials by 03/11/2023.

Kindly review the RFQ and respond as indicated:

1. The updated excel file will be imported directly to the [REDACTED] purchasing system.
2. Update the Excel file in the yellow fields, DO NOT edit the format of the excel.
3. DO NOT change the excel file name, save the updated file with the same name as in the incoming excel file.
4. Any supporting documents can also be attached to the reply email.
5. Send a reply email to the incoming RFQ email address with the updated RFQ excel file.

Thank you for your support!

 Procurement Team

Kramer, David (ABS)
