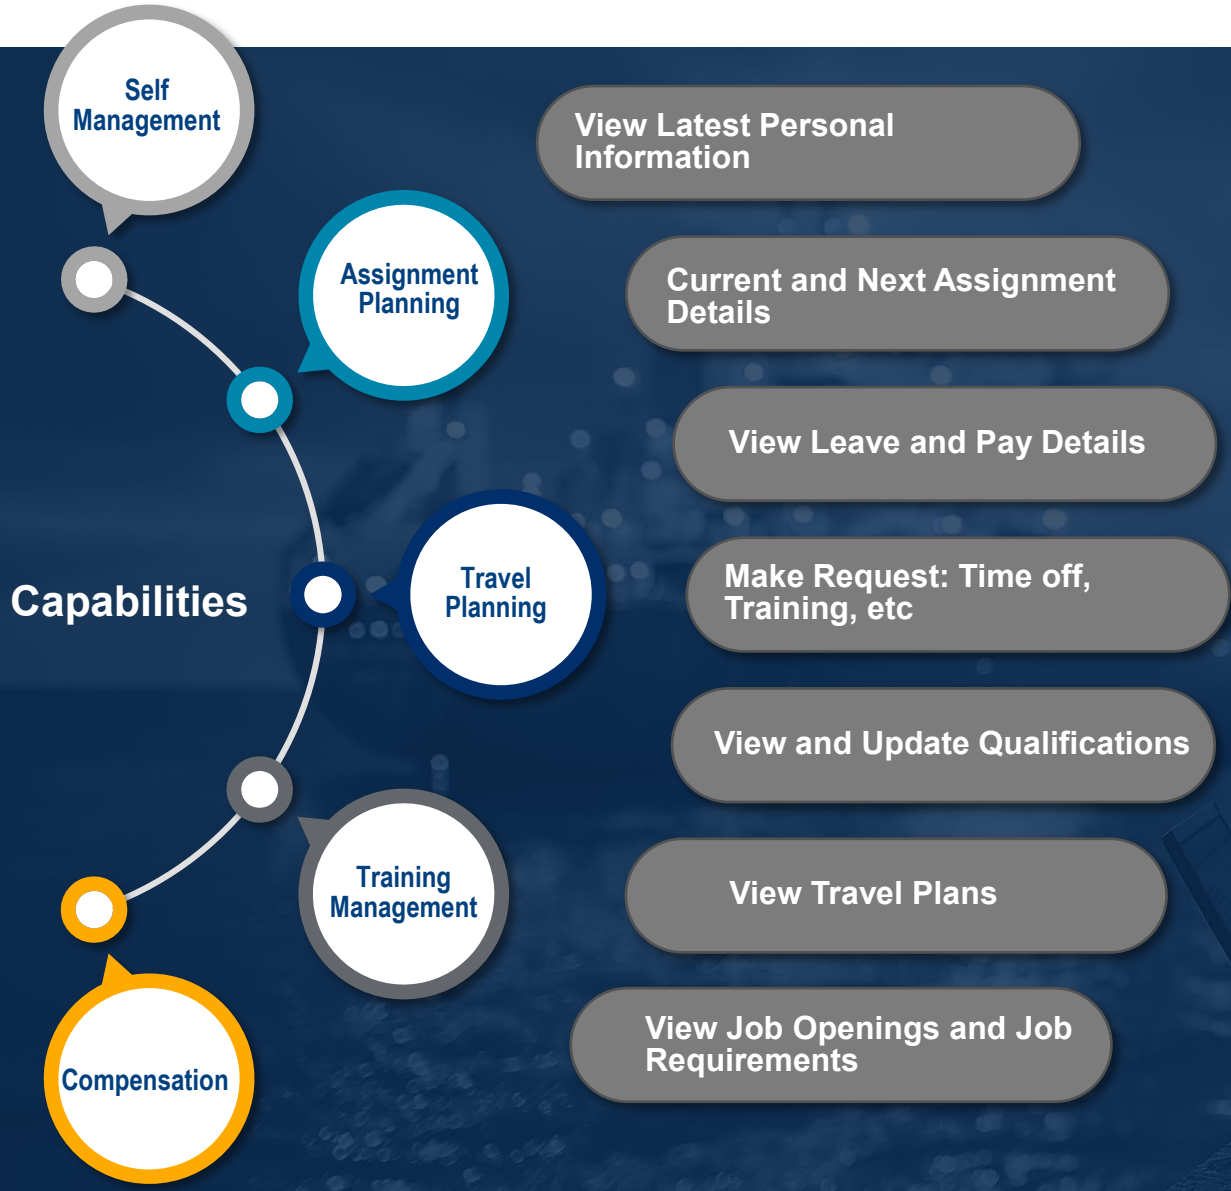
Crew Portal

- Overview
- Capabilities & Benefits
- Problem & Solution Space
- Feature Overview
- Group Brainstorming / Q&A

24TH ANNUAL GLOBAL NAUTICAL SYSTEMS USER CONFERENCE

ABS WAVESIGHT™



Benefits

Revolutionizes crew management with self service tools that provide crew and staff intuitive and responsive interfaces to obtain information from anywhere.

- On top of our Mobile applications, the Crew Portal will allow the crew member to access and update their information
- Keep your personal information up to date for communications and assignments
- Stay up to date with company, job and assignment details
- Request Actions and Update Records with ease
- Be sure you have everything required before you travel

24TH ANNUAL GLOBAL NAUTICAL SYSTEMS USER CONFERENCE

ABS WAVESIGHT™

The Challenge

- Maintaining ongoing communications and updates to and from the crew
- Unable to Board due to expired qualifications or missing Medical Exam
- Onboard past due off date, missing family functions and paying extra day rates
- Running out of Leave
- Missed an opportunity to join an assignment while available

The Solution

- Share company news, messaging, manage requests and updates through the portal
- Request to update and upload your updated qualifications and medical information
- Simple notifications, dashboards and views of overdue crew along with request relief off the vessel
- Access from anywhere to your personal information to include Leave count and pay information
- Quick views and notifications with acceptance when availability opens and is accepted

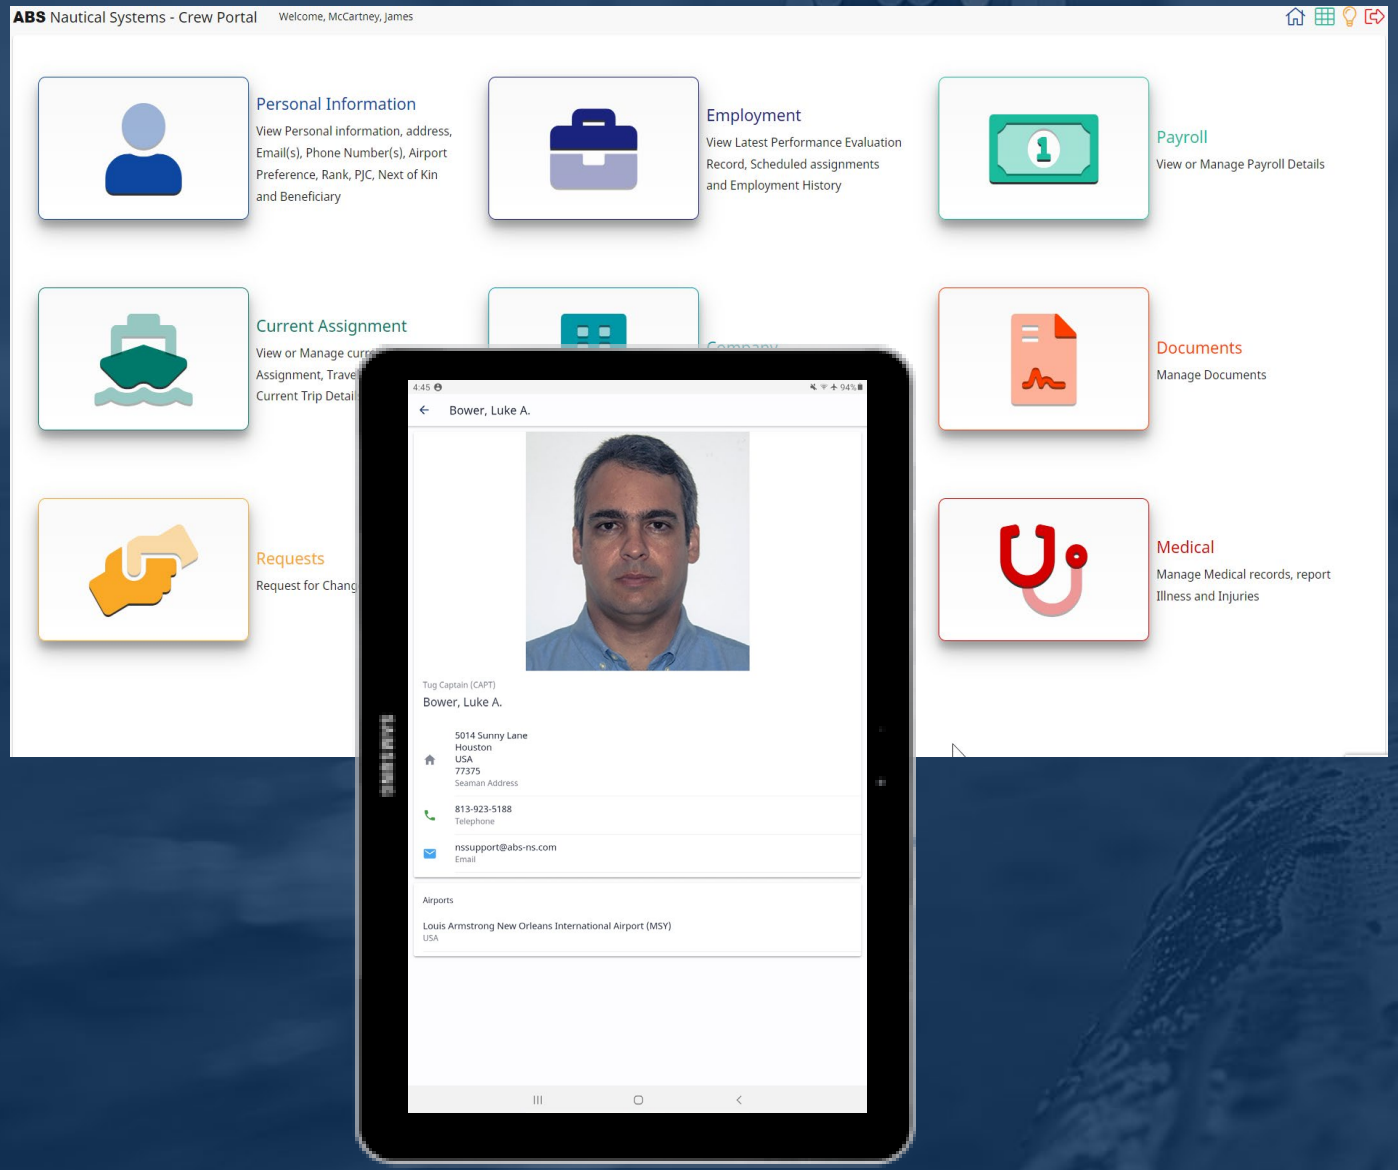
Bring the Power of Information to the Hands of your Crew



Transform your operations to deliver improved performance and efficiencies with self service tools built for your crew.

- **NS Crew Portal delivers:**
  - Self Service tools to keep personnel information up to date
  - Give the crew member the information they need before traveling or being assigned
  - Avoid overdue crew members with simple notifications of due off dates and request relief
- **NS Crew Difference:**
  - Give the power back to the crew member: Faster more immediate way to be up to date
  - Crew centric design
  - Familiar look and feel, limited training required

24TH ANNUAL GLOBAL NAUTICAL SYSTEMS USER CONFERENCE

ABS WAVESIGHT™

Group Work - Brainstorming

What's do you/your users need for Portals (including crew)

- What industry or company needs do your users require to solve with Crew Portal?
- What problems can Crew Portal solve for your users?
- How important are these to you? Please leave this in Q&A section so we may capture it as feedback and discuss together.

How many points did you get?

Use the NSUC app leaderboard to check your score and keep participating throughout the conference for a chance to win prizes (and bragging rights)!

#NSUC24
