ABS WAVESIGHT INVESTMENT UPDATE

ABS continues to invest significantly in ABS Wavesight

Investment requires decisions – decisions have consequences

BEHIND THE SCENES

- **New & Improved SaaS Infrastructure**
- **Carbon Diligence – on-demand emissions validation**
- **Long-term vision for Nautical Systems**
- **eLogs improvements**
- **Expanding synergies across the ABS organization**

The background is a composite image. On the left, a photograph of a maritime port is shown, featuring several large red and white offshore structures, a lighthouse, and a cargo ship. Overlaid on this and the right side of the image are glowing blue arcs representing a digital network. The right side of the image has a solid dark blue background with a pattern of small yellow 'x' marks in the top right corner.
